Street Legal Racing: Redline v2.3.1> General Discussions> Topic details All cheat codes Hello everyone, recently I wanted to find out which codes in the garage are. Note: the automatic keyboard layout of the QWERTY game, so if you use Azerty, Dvorak or Qwertz, you could type a winky code. Now go to the garage in the game, and you'll find copies of your original car. Patch 2.1.8 or higher. There should be two more files more files representing the cars you have. And do not hinder the work for others (lol because I write this) I decided to write this discussion. Then change their names to "PlayerCar1", "PlayerCar2", "PlayerCar3", and so forth. You must hit "Save Career" for the changes to apply. This trick only works with the latest updates, patch 2.1.8 or higher. To make copies of your car, first go to the game directory ("... Street Legal RedlineSave00 (your place in the users menu)"). He may be late, but it works. Just copy the file "PlayerCar0" (or any car file you want) and paste them. When in the garage, type the code, then click "Specific parts for fine tuning".
