Where to buy obusforme back support. Obusforme back support reviews.

Our original, award-winning backrest support, the ObusForme Highback Backrest Support, transforms ordinary chairs into ergonomically correct seating. Unlike ordinary "L"-shaped chairs, the "S"-shape of the Obus Forme Backrest Supports mould your spine into a more anatomically correct position, and help to enhance overall posture by supporting proper spinal alignment. It features the added benefits and comfort of extended neck and head support. Specially designed to accommodate vehicles with bench seating and can provide improved head and neck support for vehicles with headrests that sit too low. Includes a removable lumbar pad. Key Features Can provide relief from pain aggravated by poor posture including back pain, neck pain, shoulder tension and headaches The removable and adjustable lumbar pad offers additional back support that can be customised for your needs The unique polycarbonate "S"-shaped frame with polyurethane foam gently supports the natural contours of your spine The polyester cover can be removed and sponge washed Lightweight and portable - turns any chair into an ergonomic seating system Endorsed by the Canadian Chiropractic Association Available Colours: Black (HB-BLK-CB), Blue (HB-NVY-CB) Our original, award-winning backrest support, the ObusForme Lowback Backrest Support transforms ordinary chairs into ergonomically correct seating. Unlike ordinary "L"-shaped chairs, the "S"-shape of the Obus Forme Backrest Support cushion molds your spine into a more anatomically correct position, and help to enhance overall posture by supporting proper spinal alignment. Features Transforms ordinary chairs into ergonomically correct seating, a great lumbar support cushion Unlike ordinary "L"-shaped chairs, the "S"-shape of the Obus Forme Backrest Support molds your spine into a more anatomically correct position Helps to enhance overall posture by supporting proper spinal alignment Can prevent fatigue by reducing strain and energy demand on muscles Can provide relief from pain aggravated by poor posture including back pain, neck pain, shoulder tension and headaches Can ease the pain caused by spinal disc problems and sciatica by reducing spinal compression Removable and adjustable lumbar pad offers additional back support that can be customized for your needs The unique polycarbonate "S"-shaped frame with polyurethane foam gently supports the natural contours of your spine Brushed nylon cover can be removed and sponge washed Lightweight and portable back support pillow for use at home, in the office, or on the go Specifications: Width Overall 430 mm Height Overall 550 mm 5 Posted by Des Hicks on 22nd Jun 2021 Very happy with my purchase, has certainly improved my quality of life allowing me to sit for extended periods without experiencing lower back pain. 5 Posted by Tracey Perkins on 5th Mar 2021 Does everything it claims...makes driving more comfortable and sitting at work more bearable. The buy I have ever made and I wish I knew it existed years ago. Gives great relief for lower back 4 Posted by Gail on 5th Jan 2021 Comfortable cushion, as advertised. Delivery was extremely slow 5 Posted by Kate Couvee on 7th Oct 2019 Very very comfortable 5 Posted by Paul on 20th Jul 2019 Excellent; instant easing of lower back pain that I have suffered for 6 months. Very portable so I transfer it from chair to chair between office & lounge. Recommend it to anyone with L4/5 & L2/3 pain Our original, award-winning backrest support, the ObusForme® Lowback Backrest Support transforms ordinary chairs into ergonomically correct seating. Unlike ordinary "L"-shaped chairs, the "S"-shape of the ObusForme® Backrest Supports mold your spine into a more anatomically correct position, and help to enhance overall posture by supporting proper spinal alignment. Features: Scientifically proven to decrease pressure on the spine by up to 35% Provides relief from back pain by aligning the spine and supporting correct posture. The removable lumbar pad provides additional comfort for the lower back by supporting the lumbar curve. The impact resistant polycarbonate structure covered in soft and durable polyurethane foam conforms to the natural spinal curvature. Convenient handle for portability anywhere you sit - in the office chair or car or in the home. Endorsed by the Canadian Chiropractic Association Specifications: Color: Black Size approx 55 x 35 x 10cm Weight 1.5kg Specifications Shopping with Confidence! We appreciate that you want to shop with confidence online. And so Bad Backs wishes to confirm the importance we place on your privacy, security, our returns policy and customer service support. Should you choose to shop in-store, visit one of our stores in Melbourne You can return most new, unopened items fulfilled by Amazon AU within 30 days of receipt of delivery for a replacement or full refund of the price you paid for the item if you change your mind - see About Replacements and About Refunds. In some cases, the nature of the item means that it is non-returnable, for example, due to hygiene/health and personal care/wellness/consumable nature of the product. In some circumstances, these items may be eligible for a refund or a replacement (for example, if you receive the wrong item due to an Amazon AU error or if the item is faulty). Please Contact Us and see About Items That Can't Be Returned. New electronic items fulfilled by Amazon AU can be returned for change of mind, for a replacement or a full refund of the purchase cost of the item within 30 days of receipt of delivery. For information about returning faulty electronics please see Returning Faulty Items. Unless otherwise stated, original shipping fees for change of mind returns are not refunded. This change of mind return policy is in addition to, and does not affect your rights under the Australian Consumer Law including any rights you may have in respect of faulty items. To return faulty items see our Returning Faulty Items policy. For items ordered on Amazon.com.au from a seller that fulfils and ships its own inventory (also called a third party seller), any returns will be in accordance with the returns policy set by that seller (not the Amazon AU returns policies). Please see About Marketplace Returns & Refunds for details on Seller returns

policies. Please see our Amazon Global Returns policy and Refunds policy about returning items The original, award-winning backrest support, the ObusForme Lowback Backrest Support transforms ordinary chairs into ergonomically correct seating. Unlike ordinary "L"-shaped chairs, the "S"-shape of the Obus Forme Backrest Supports mold your spine into a more anatomically correct position, and help to enhance overall posture by supporting proper spinal alignment. Assists in the prevention and relief of back pain Portable and lightweight Provides proper support in any office chair, vehicle seat, lounge or wheelchair Colour: Black Fabric Open weave, non-allergenic brushed nylon (Includes a removable lumbar pad) The Lowback Backrest Support from ObusForme is a portable cushion that transforms ordinary chairs into ergonomically correct seating to provide relief from back pain. Ideal when driving a car; when the headrest of your chair sits too low; or whenever you are unable to use a seat with the proper support. The 'S' shape design of this award winning product moulds the spine into a more anatomically correct position, helping to enhance overall posture by supporting proper spinal alignment. The unique polycarbonate frame with foam padding gently supports the natural contours of the spine. Lightweight and portable, this cushion includes a handle for carrying and elastic positioning straps to help secure the cushion to your chair. The lumbar pad is fully adjustable and removable for added customisation. The black, brushed nylon cover is hypoallergenic and is easy to remove or sponge wash. This product helps prevent fatigue, provide relief from pain aggravated by poor posture and ease pain caused by spinal disc problems and sciatica. This back support measures 45 cm wide, 53 cm high and 7.5 cm deep. It is suitable for people of any weight. It can also be used in conjunction with the ObusForme Seat a seat designed to evenly distribute body weight and encourage proper alignment of the pelvis and thighs for extended sitting comfort. Other ObusForme models are also available Highback (for extended head and neck support) and for broader backs. Features award winning back support cushion transforms chairs into ergonomically correct seating lightweight frame with foam cushion removable and adjustable lumbar pad elastic positioning straps handle for easy portability removable, hypoallergenic black cover unlimited maximum user weight 1 Year Warranty data-product-sku=obusforme-reg-lowback-backrest-support data-product-type=Lumbar Support> This item will be released at a future date. The ObusForme Wide Back is a portable and lightweight back support system that turns any chair into an ergonomic seating system. A patented and award-winning polycarbonate S-shaped frame promotes proper posture and correct spinal alignment and assists in the prevention of, and relief of back pain.
